# Aims of Enrichment After School Clubs

To enhance the personal development and wellbeing of all pupils, by:

- Wider opportunities and experiences provided for all pupils.
- Develop skills for a successful life as a citizen in the community.
- Promote wider development, character, well-being and to support children to achieve and thrive, in school and beyond.
- Contribute to children's personal development and their SMSC development.
- Supporting pupils to become responsible, respectful and active citizens who can play their part in public life as young people.
- Further developing children's awareness of: democracy, the rule of law, individual liberty, mutual respect and tolerance of others.
- Inclusive opportunities and an understanding of protected characteristics, as defined in the Equality Act 2010.
- Developing children's individual characters, so that they reflect wisely, learn eagerly, behave with integrity and cooperate consistently well with others.
- Developing children's confidence, resilience and knowledge so that they can keep themselves mentally healthy.
- Provide enrichment activities to allow children to be physically healthy, understand what it means to eat healthily and maintain an active lifestyle.
- To develop healthy relationships, with others and how to keep themselves safe. Including online.

How the aim will be achieved:

To provide a range of Enrichment activities that offer:

STEM & Academic Enrichment

## What's it all about??

The Children's University is an International critically-acclaimed charity which encourages all children aged 5 to 14 years to try new experiences, develop new interests and acquire new skills through participation in innovative and creative Learning Activities outside of the school day.

Learning Activities are designed to:

- Raise aspirations, self-esteem & confidence
- Encourage curiosity and a love of learning
- Enhance motivation and build resilience
- Introduce new life experiences
- Offer progression in learning and personal skills development

In Year 1 children are issued with a 'passport to learning' which will be a record of the amount of hours spent in after school clubs. It is the learning hours (credits) achieved that lead to the award of a Children's University Certificate. *(Being a member of the children's University costs us £5 each, so the passports are kept in school to avoid you having to pay for a replacement)*

At Inspirational Learning Academies Trust children are awarded 10 credits each term for each after-school club they attend. They can also gain credits for educational visits, being on a class council e.g.: school council, visits to museum events, and activities they take part in out of school like swimming lessons, a football team or dance lessons (please let me know the details for these activities)

Children will receive certificates at our award assemblies each term. The certificate they achieve depend on the number of credits they have.

Certificates start at

Bronze Certificate - 30 credits

Silver Certificate - 65 credits

Gold Certificate - 100 credits

And continue onto Awards, Degrees & Diplomas
